PRE-KINDERGARTEN APPLICATION ENQUIRY

Thank you for your expression of interest in the Quinns Baptist College.

The Pre-Kindergarten programme is once a week for two and a half hours (Friday) commencing in February 2017. Quinns Baptist College was first established in 1996 and strives to provide the far Northern suburbs with a high standard of private education within a Christian ethos.

Once students finish Year 6, they progress to the High School, situated on the same site. The High School caters for Years 7 through to Year 12. All Quinns Baptist Primary School students will be offered a place in the High School College.

The following particulars may be helpful:

1) FEES : 2017

When considering the financial implications of sending children to the Quinns Baptist College Pre-Kindergarten, parents should anticipate an annual all-inclusive tuition fee of $1225. Other costs associated with uniforms should also be anticipated. An approximate break down of the costs is attached.

2) The College is governed by a Board.

3) Affiliation with a church is not a pre-requisite; however students and parents must accept that teachers have the right to interpret knowledge from a Christian perspective.

4) The registration fee is $100 per family. This fee must accompany the registration form and is non-refundable.

5) The confirmation fee is a $400 deposit per family which comes off the annual fees, and once paid, is non-refundable.

6) We require one term’s written notice should your child be leaving the school.

We look forward to hearing from you.

Maryann Malzer
Primary School Principal
