Dear QBC Family

It has been wonderful to get such positive response to the Boards announcement of our new fee structure for 2018. This development is something that they have been planning for a while and it is their intention to keep our fees as low as possible going forward, thus being able to support our existing families and also offer more affordable quality private education to the broader community.

We will continue to provide the excellent level of education by our dedicated staff in a caring and nurturing environment, supported by our excellent pastoral care. All our students are treated as individuals and encouraged to reach their full potential. I am excited about these new developments and am positive about the future of our school.

Fees for 2018 are as follows:

We are looking forward to our College Sunday Service this weekend, Sunday 12 March 2017 at 9.30am in the High School Auditorium. This is where we dedicate our teachers to the work they are doing, within our school community and serving the Lord. Our Year 4 and 5 classes will share the story of Passing Dreams with us and Ryan, our School Chaplain, will also be sharing a message with us. This is an opportunity where we can all join together as a Primary School, Kindergarten to Year 6, share in some worship and fellowship together and enjoy morning tea. We do ask that you all attend.

The Star in the Window

During World War I, families with a son in the war would place a star in the window. A man was walking along with his grandson when his grandson asked "Why do all these homes have stars in the windows?" The grandfather explained to the son what the star symbolised.

They walked along and every time they passed a home with a star in the window the boy would smile and clap his hands together. Then the boy pointed up to the sky and pointed to a star. "Look," he said. "God must have given his son too!"

Many gave their lives for their country, but God gave his son for the world.

“For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.”

We love celebrating our students’ achievements both in and out of school, and we’d love to hear about them. If you would like to share any of your child’s achievements, in the newsletter, whether academic, sporting or otherwise, please email us at: admin@qbc.wa.edu.au. If possible, please include a photo.

Well Done

Chloe Reeve 5.2 and Danielle Graham 4.1 collectively won 15 Medals last weekend at Little Athletics.
What an achievement.
Battery Re-cycling in the Library.

Please remember that we run a battery recycling programme at our school.

Thank you to everyone who supports this programme by bringing in your old batteries to the Library to be recycled. Please note that this is an ongoing project.

What batteries can be collected?
Household dry cell batteries including AA, AAA (single use or rechargeable), C, D, button batteries, 9V and 6V.

Please note that Lead acid batteries, such as car batteries, laptop computer batteries and mobile phone batteries cannot be collected. Please contact your local council for details of how to dispose of these batteries.

Mrs Malzer will be our Reading Café guest for the month of March. Be at the Primary School Library on TUESDAY morning 14 March at 8.00am sharp to enjoy hearing more about her top reading recommendations!

All primary students are very welcome to attend this fun reading event!

Important Uniform Notice

Winter Uniform

- All New Students who started in Term 4 2016 and New Students who have not yet done a Winter Fitting, we will be offering 2 Saturdays for you to fit and purchase your child’s Winter Uniforms.

Please contact the uniform shop after 8.30am during normal shop times for further Information.

PRIVATE MUSIC LESSONS FOR PRIMARY STUDENTS

We’re excited to announce that we have some new instrumental tutors and can offer lessons to primary school students on DRUMS, BASS GUITAR, GUITAR, PIANO, and VOCALS during school hours. For some the cost of one-to-one music tuition is prohibitive, and as a result, in addition to the one-to-one lessons we are also offering lessons in pairs.

Posting of photographs or other images on Facebook and other social media outlets

The School has become aware that photographs of students involved in activities at the School are appearing on social networking sites such as Facebook. The School recognises that parents often take photographs of their own child at various school events and display these photographs as they see fit. However, the School requests that parents do not publish photographs of other students in any media or on any form of social networking sites without the express written permission of the other child’s/children’s parents.

Stranger Danger

... keeping our children safe ...

We cannot stress enough the importance of having regular discussions with your children on the issue of “stranger danger”.

Whilst we do run “stranger danger” programs at school, we would still urge you to continually reinforce the importance of being aware and vigilant, at all times, of any suspicious activities in your area and around the College.
Our Year 6’s enjoying the new computers
Last week Year 6.I covered the topic of Anti-Bullying in their assembly. They were responsible for acting, directing and producing a short film. Congratulations to all of them for putting together such a great piece of work that was very touching.
WANTED LEGO

Mrs Olsen has asked if anyone has any unwanted Lego she would love to give it a good home. Please bring to Student Services and we will pass it on. Many Thanks
Arriving Late or Leaving Early

Students are expected to be punctual when arriving at school. Parents are reminded to come to the Student Office to sign a Late Note or Early Discharge Slip before dropping off or collecting your child from school in the event of arriving late or leaving early for any reason.

If a student is late for class because of a uniform fitting, please still come to the office for a Late Note.

DUTY OF CARE

Our duty of care obligations require us to take reasonable care for the safety and wellbeing of your children while at school. It is therefore important to note that:

- **class rooms only open at 8.15am**, at which point teachers will be on active duty. Consequently, there will not be any teacher supervision until 8.15am.
- Likewise, please ensure that your children are collected promptly from school at 2.45pm when classrooms are again closed for the day.
- All playground equipment is out-of-bounds before school. Students playing on the oval or playground equipment after school must be actively supervised by their parents and do so at their own risk.
- When visiting the school during school hours please report to reception or when dropping off items for your children, please leave these with the ladies in the office. We cannot stress enough how important it is for your children’s safety that we know who is on the school premises at all times.
- Students may not leave the school grounds before, during or after school to go to the shops or McDonalds, etc. and then return to the school. This is regarded as serious breach of safety and infringements or send-outs will be issued!

Thank you for your cooperation in maintaining a safe school community.

STUDENTS on MEDICATION

If you need us to administer any medication to your child while at school, please complete and sign a Medication Form, available from Student Services.

Confidentiality

Just a reminder that all photos of children or any information that may identify a child or their family or the College, may not be used on any social media sites, or used for any purpose without the specific written consent of the parent / guardian and the College.

Quinns Kids is what happened when a bunch of people got together and responded to the need of the families of Quinns Baptist College, to offer high quality out of school hours care. Quinns Baptist Church and the college hold a vision to support families and the wider community, where possible. Friendly, nurturing and accessible out of school hours care is another chapter in the story towards this vision.
