Principal’s Report

Dear Parents, Students and Staff

Although a school consists of bricks and mortar and is essentially a physical place it is given a life by the characters that are and have been a part of it. A school in its entirety is a unique mirror of life. There are highs and lows, times of joy and times of sadness. There is planning for the future and reflecting on the past. Through it all there is always the belief that as for each of us our experiences are molding and improving us.

We will look back at this particular time as a significant one in the history of the school. It is being shaped, improving and forging ahead. The Board has taken the enormous step of significantly reducing the fees. From a Principal’s point of view I think this is amazing. I have always thought that if a price could be put on the value of the education provided by a school then QBC has to rank amongst the best. This initiative now makes this education available to a greater number of children within the community.

I am aware that the experience of every person at every school is unique to them. Fees could be tens of thousands of dollars a year and the school provide every possible opportunity imaginable and yet it is still dependent on the student to make the best of the opportunities provided. As parents we always want the best for our children and wish to provide them the best education we can. We also agonize over trying to make sure our children do get the best out of the school they are in. I believe that any school whether it has exorbitant fees or not would be hard pressed to match Quinns Baptist College as a whole. There is a wonderful balance within the school to develop the whole child, academically, physically and spiritually.

We have one of the most caring and dedicated staff one could hope for and an effective student management system which means that students can learn and develop in a safe caring environment. The school provides a wide range of opportunities, be it sports or cultural, that creates a place where students have a largely positive experience of school.
Over the past two weeks there have been a number of events and activities which all add to school life. The Year 12 School Ball, Year 9 Camp, Year Group Social Events, Mother Daughter Tea, Inter-house Swimming Carnival, Jui Jitsu Competition, Yr 12 Kayak Trip. Luke Smoothy completed the solo Rottnest Channel swim and our staff assisted him and a number of ex-students with paddle support. Our cheerleaders and netballers are training and the music bands are practicing. Once again I thank the staff members who put in the tremendous amount of extra effort to make all these events and activities possible.

Congratulations to the Year 7 students who were selected as Student Leaders and congratulations to the individual prize winners at the Swimming Carnival. Well done, to Aylward on their first place in the Inter-house competition and for Carey on winning the House Spirit award.

On the 17th February, the Year 12 Ball with ‘Under the Stars’ as the theme was its usual spectacular evening. It was wonderful to see our Year 12s resplendent in their various outfits, celebrating their final school year. Thank you to the Ball Committee and the staff who put in so much time to make this such a momentous occasion.

As we celebrate the wonderful things of this life we are well aware that there are also times of struggle and hardship. It is hoped that in both the good times and the bad we are able to remember that God is always there, as we’re reminded in Joshua 1 vs 9: Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go.

Principal

2018 Fees Explained

It is hard to put a dollar value on all that goes into educating a child; however, Quinns Baptist College adheres to a philosophy wherein all possible costs incurred by the College in educating our students are incorporated into the set fees. Whilst not all children choose to utilise the opportunities provided at the College, they can still benefit from the positive ethos of their learning environment. QBC’s caring and dedicated staff and effective student management system underpin a safe, nurturing and balanced environment that encourages students to develop academically, physically and spiritually.

Enrolment costs include a registration fee of $100 per family, which is non-refundable and must accompany the registration form. The confirmation fee, which is a non-refundable $400 deposit per enrolment, is deducted from the annual fees. Confirmation of enrolment is also dependent on prospective parents and students attending an interview with the Secondary Principal.

The annual tuition fee for secondary students is $2,800.00 per student. Please note there is no sibling discount for families and the compulsory Year 9 and Year 11 camps incur an additional fee of approximately $400. Other costs associated with uniforms and text books should also be expected.

For your information, please find below some benefits included in the annual fee structure:

- The confirmation fee of $400 is deducted off the initial annual fee
- All subject fees are inclusive, including Cert Courses and specialist courses, eg Outdoor Ed
- All excursions/incursions and College events, such as the Busselton Jetty Swim and Run camp; the Rottnest Channel Swim; the Busselton Netball Tour; the Bibbulmun Hike; the Bluff Knoll Camp; and Leadership Days
- All transport to carnivals, excursions, classes off-campus, camps, etc., provided by QBC’s three new school buses
- After-school tutoring
- Subsidised tutoring for courses provided at QBC for Year 12 Courses by Academic Associates
- All photocopying resources
- All technology (no personal devices are required)
- Complimentary copy of the Quinns Baptist College Year Book
- A range of music band programs
- All co-curricular/sports programs including team uniforms, tournament entry fees and specialist coaching
- Graduation costs waived for Year 12 students and their parents
- No requirement for parent hours or payment in lieu
- Please be advised that extra costs apply for the following:
  - Compulsory Year 9 and Year 11 camps (approximately $400 per camp)
  - Optional events, such as the Euro Tour; Malaysian Tour, Mauritius/Reunion Tour, the Bali Compassion Tour, and Year Level social events (approximately $15 per term)

The financial aim of Quinns Baptist College is to use resources efficiently and practically in order to provide the best possible education and life-enhancing opportunities for our students.
QBC Notices & Reminders

ABSENTEES

Please contact Student Service on 9305 8808 by no later than 9.00am in the event of unexpected absences or sickness that necessitates your child being away from the College for the day or for any length of time.

A written note should accompany your child and be handed to his/her teacher on his/her return. A medical certificate is required to explain prolonged absences of more than two consecutive days.

We would like to thank parents for starting off 2017 so well with phoning absentees in to Student Services and following up with notes.

Year 12 Ball - An Evening Under The Stars
On Thursday night, the 23rd of February our annual Mother-Daughter evening was once again a spectacular event. The Year 12 girls modelled their stunning ball gowns and spent a lovely evening with their mothers, family members and friends. Delicious food was shared and there was a great deal of laughter.

The College would like to thank the hostesses, Year 12 girls and the community for their great support. The funds raised go to the valuable support the College provides to the disadvantaged children in Bali.

Mrs Corleen Oosthuizen
Congratulations to Dylan Cope in Year 7 who competed in the WA State Athletic Championships this last weekend, Dylan ran in the 100m bringing home a GOLD Medal and achieved a Silver Medal in the 200m in a photo finish.

In the same Championships Colby Smith in Year 10 achieved great results in winning a Bronze Medal in both the 1500m and 3000m.

Brazilian Jiu Jitsu

Well done to the boys at the BJJ4LIFE Competition and congratulations to Tyler Chin for taking gold and winning both of his matches by submission.

On Saturday 25 February Luke Smoothy swam solo to Rottnest in the Rottnest Channel Swim. In heavy and difficult conditions Luke kept going for 8 hours & 47 minutes to finally arrive on the Island bleeding and cold. His brave effort shows amazing spirit and we are all very proud of him. We wish the 15 students who are swimming mainland to Rottnest on Saturday 25 March, all the best.

We love hearing about students’ achievements. Please email secondarystudents@qbc.wa.edu.au if your child is representing the state or Australia in any event.
The Year 9 Rugby Union class had the privilege to have Western Force number 8 Richard Hardwick come to the class to share a bit of his story and refine some skills. The students got to ask some questions and found out more about being a professional rugby player. We are honoured to have him come back in a couple of weeks to share another session with us.

Mr Joubert
Our fantastic group of Year 9 students headed down to Fairbridge Village for an adventure filled three days. Students were personally tested by the adventure ropes activities like abseiling, giant swing and flying fox and challenged in teams with low ropes, pool activities, archery and canoeing. Besides the personal challenge of camp, the main goal was to get students to interact with people outside of their main social group and to have a great deal of fun with their peers. Pool parties, extreme dance offs and other group/individual challenges made it an enjoyable time for everyone!

Thanks to the awesome team of staff, Mrs Rajamoney, Mr Kubainski, Mr Joubert, Mr Webb, Mr Cristonsen, both helpers Megan Quick and Alana Dennis and Mr Tranter for leading the camp.

1-2-3 Magic and Emotion Coaching

To help parents manage difficult behaviour in children 2 to 12 yrs

A humorous look at parenting, a **serious** look at discipline!

To help manage difficult behaviour in children, calmly and effectively. Learn how to use empathy so kids begin to identify their emotions and become better at managing them. This enables them to take more responsibility for their own behaviour.

Behaviour Tonics Rooms, Level 1, 252 Cambridge St, Wembley

Presented over 3 sessions. Cost $180 per person or $340 per couple. 7 to 9.30pm

Tue 16th, 23rd Feb & 1st March (2 to 5yrs)
Thurs 25th Feb, 3rd & 10th March (2 to 12yrs)
Wed 23rd, 30th March & 6th April (2 to 12yrs)

You will learn:

- The two approaches to parenting.
- How to discipline without arguing, yelling or smacking
- How to handle kids testing behaviour.
- How to show empathy while developing emotional intelligence in your child.
- How to teach and encourage positive behaviour, social skills and independence.
- How to strengthen the relationship with your child.
- How to control obnoxious behaviour.

What people are saying...

- An end to the yelling and arguing!
- It saved our lives
- Simple, sane, effective
- What a relief to come across a program that preserves the dignity of the child, maintains the self control of both the parent and the child and is actually easy to remember at those times when memory is the first thing to go
