Welcome to staff and students for the final term of 2015. Over the holiday break QBC students participated at Sportsfest in Australind and 8 students 3 staff and an ex-student went on our third Community and Compassion trip to the Bali Orphanages in Singaraja. Thank you to Mrs Hamilton, Mr Smith, Mrs Garcia, Mr Cristonsen and Megan Quick who supervised the students in Bali and Mrs Werner, Mr Davis, Mrs Robertson, Mrs Oosthuizen, Mr and Mrs Quick, Mrs Mann and ex-students Cassidy Taylor, Dylan Van De Leur and Megan Quick who gave up their time to lead and support the students at Sportsfest.

We have the honour of recognising and congratulating our 2015 Year 11 and Year 12 Award Winners and our student leaders for 2016 at our Awards Assembly. We will reflect on the journey our Year 12’s have had at QBC and say farewell at their Graduation Ceremony on the 21st October. They will be in our prayers as they prepare for and complete their final examinations and we wish them every success in their future endeavours.

We also say farewell to Mrs Casey Skupin who leaves to have her first child and we welcome Miss Meyer and Miss West who will be taking her Dance classes. We also welcome the return of Mrs Wright from maternity leave.

As we think of our Yr 12’s and Mrs Skupin embarking on a new phase of life we lift them up in our prayers and pray that God will light the path before them according to His will.

Psalm 119:105 ‘Your word is a lamp for my feet and a light on my path’

The College would like to congratulate Marcha Oosthuizen who got selected for the under 16 WA Indoor State Netball Team and will represent WA in Adelaide from the 6 - 12th of December.

Holly Heads For France To Represent Australia

Holly competed in Adelaide recently and won a Bronze medal in the team event, Bronze in the Mixed doubles and came 3rd overall in the order of merit for the tournament. She was then picked to represent Australia in the World Junior Table Tennis Championships which are being held in Vendee, France at the end of November/early December this year - *Well done Holly, you are an inspiration to the College*

We love hearing about students’ achievements. Please email secondarystudents@qbc.wa.edu.au if your child is representing the state or Australia in any event.

On Wednesday, the 9th of September, the Year 10.1 Science class went on a field trip down to the beach near our College. The aim of the excursion was to put into practice their ‘fossil-making’ skills. The students have been learning how to make 'fossils' by taking moulds of the inprints left in the sand by animals, as well as some shells and other objects, as part of their 'Geological Time' Science unit. Many thanks to our laboratory assistant, Mrs Harris, for joining us for the excursion.

QBC BALI Compassion Trip
Different food, environment, culture and language means people are out of their comfort zone. That is the place where change can occur. What a great team of kids who took on the challenge. Looking forward to seeing the change.

Danelle Hamilton

How do I explain the Bali Compassion trip? It is an adventure in understanding. Together we discover the power of culture and the injustice of wealth. We through this opportunity contribute to each others lives. We take money, but we take home insight.

Ryan Cristonsen

The Bali trip is an experience that only being there will impact one’s perception and relationship with our students and the Balinese students. Each one of us came home with a new and different empowerment and understanding from when we left. Our donations are reaching out to over 60 students and making education achievable for them from Primary to University.

Sharon Garcia

Francis of Assisi said: "For it is in giving that we receive." What I received at Widhya Ashi Singaraja Children’s Home can not be expressed in words...

Manie Smith

Every visit is different, you meet new people and hear different stories yet every time I say goodbye I leave with the same sense of humility and gratefulness. Seeing what little they have and yet they’re still so joyful and full of life is an encouragement.

Megan Quick

Early in the trip I had to make a choice, as I like my comforts. I chose to have a positive mindset and remember this trip was not about me. It was absolutely worth eating rice and more rice!

Ellie Hamilton

I saw and heard so many different heartbreaking and inspiring stories from the kids, that made me grow so attached to them that when I left I was heartbroken. I can’t wait for when I go back to them all again and hear about how they have grown.

Marcha Oosthuizen

On my trip to Bali I had the chance to experience sharing my love of football with all the children.

Aimee Coghlan

First meeting the kids is something we will never forget, the huge smiles on their faces welcoming us into their home. The trip was an incredible experience, learning and trying new things and being apart of the Balinese culture for 5 days.

Emily Ebert

To me, Bali was the most meaningful trip I’ve ever been on. The moment we got there my heart melted and the moment we left my heart broke.

Jessica Wasley

I was filled with happiness, knowing that we’re contributing to a faithful service, where the children of Widhya Ashi are well cared for and blessed.

Jono Authors

It was an eye-opening experience to live with such wonderful children for 6 days. It made me realise how much we have and take for granted.

Raewyn Mann

The children show so much gratitude for the little things we take for granted. It was such an awesome life changing experience.

Bryn Norman

Bali was an amazing experience. It made me happy to see what we as a school were able to do to help children in need. It made me realise how grateful we should be for what we have.

**Quinns Battery Recycling Program**

Last year we launched the used Battery Recycling Program at Quinns. Please place them in the specially decorated bin (see photo) in the LIBRARY.

No car or phone batteries please.

If you put the batteries in the general household rubbish bin it goes to landfill and can contain toxic substances which are harmful if released into the environment. Alternatively they may end up at a composting facility and cause contamination. Through our program all metals and components of the batteries are recycled by Auszinc in New South Wales to make street lights, new batteries and steel frames for houses.

Library is open before and after school so bring them in! Let’s see how many kilograms of batteries we can collect this year.

Thanks to Mindarie Regional Council for setting this up and collecting the batteries.
Quinns’ Youth Group

Every Friday of the school term Quinns Youth is run for High School students. This youth group provided by Quinns Baptist Church aims at providing a safe environment for students to gather out of school hours for games, social interaction and spiritual growth. Throughout the year Quinns Youth runs camps, sleepovers and other events with the goal of building healthy relationships between students whilst helping them grow in faith.

For more information about Quinns Youth or Quinns Baptist Church please contact the School or Ryan Cristonsen directly on: 0417712093
